

Fee Model (as of January 1st, 2018)

(1) Free registration and use of the platform:

- a) The registration is free of charge for entrepreneurs (equity seekers) and investors (equity investors).
- b) The active use of the platform by the registered entrepreneur and investor is basically free of charge.
- c) The contract can be terminated in text form with a notice period of one month.
- d) NOTE: Data that you note in your account or profile will only be used to effectively design the initiation process between entrepreneurs and investors. This data will not be sold to third parties.

(2) Success-based transaction fee

- a) Upon successful completion of a transaction brokered through this platform, a one-time transaction fee will be charged. This amounts to 1.00% of the transaction volume plus a success fee of € 5,000.00 (in words: five thousand euros) plus the applicable value added tax. The transaction volume is determined by the amount of the investment (this means according to the purchase price on acquisition of units, shares, assets or other rights).
- b) The transaction fee will be payable as soon as a project financing, purchase or participation agreement is concluded between the investor and the entrepreneur.
- c) If further business shares/units are acquired by the investor from the entrepreneur in the following five years after conclusion of the contract between the contractor and the investor, the transaction fee of 1.00% is payable on top of this part plus the respectively applicable value added tax.
- d) Investor and entrepreneur are obligated to notify the agreed purchase price of the transaction in written form to e4p equity4partners GmbH immediately after the conclusion of the contract.
- e) The success-dependent transaction fee owes the investor.

(3) Overdue fine

If the entrepreneur and investor fail to inform e4p equity4partners GmbH in writing about the completion of a project financing, purchase or participation agreement by more than 4 weeks, e4p has the right to charge 0.5% of the transaction fee due for each month started to raise. Entrepreneur and investor are jointly and severally liable for this default fee. The proof of a lesser damage is reserved for the investor and the entrepreneur.

(4) The operator of the platform reserves the right to adjust the fee model. We will communicate changes to our terms of use separately.
